Sir,

ESTABLISHMENT: Temporary - South Kanara District -
Collector's Office - Magisterial Section - Lower -
division clerk - permanent retention - sanction -

The sanction last accorded in the G.O. cited above to
the retention for a further period of one year from 19.2.1951
of the additional lower division clerk, employed in the Mag-
isterial section of this office under G.O.Ms.No.271. Rev.
dated.9.2.61945 will expire on 18.2.52. The Statistics fur-
nished herewith will show that the work in the section
continues to be heavy and there is full justification and
absolute necessity for the further retention of the additional
lower division clerk.

2. The permit system between India and Pakistan and
the work relating to grant of India-Ceylon Passes still continue
With the returning of normal conditions in Malaya and Singapore
the number of applications for passports to these places have
increased. The Additional Ist Class Magistrate and staff
appointed for the trial of cases under the Madras Prohibition
Act continues to function. After the war, more motor vehicles
have been put on the road and consequently applications for
temporary permits and refunds of proportionate Motor Vehicles
Tax are received in large numbers. As the position regarding
the supply of newsprint has improved, more newspapers have
been started in this District and the existing newspapers
have increased the number of issues with the result that
the work relating to receipt and distribution of newspapers
for scrutiny has increased without showing any corresponding
increase in the number of papers registered in the Personal
Register. Recently the restrictions on the grant of licences
under the Cinematograph Act to touring cinemas have been
relaxed, enabling them to exhibit shows during a major
part of the year. All these factors have contributed to
the increase in the work of the Magisterial Section of
my office. The volume of work in this section is not likely
to come down hereafter. I, therefore, request that sanction
may be accorded to the retention of this post for a further
period of one year from 19.2.1952.

Yours faithfully,
